NGUYEN NGOC PHUONG TRINH

Web Developer Intern

Number: 0396311734

Email: phuongtrinh130600@gmail.com

Github: https://github.com/trinhnhi1306

PERSONAL PROFILE

I am a mature, positive and hardworking individual, who always strives to achieve the highest standard possible, at any given task. During group work in class, I have been trusted by friends because of the sense of responsibility to complete the task and my sense of humor made everyone less stressful.

CAREER OBJECTIVE

I will put knowledge and numerous skills about the information technology development into practice in order to become a trainee in a website build. Furthermore, I hope I not only have more opportunities to expand my horizon, but I also enhance more skills about my major.

EDUCATION

June 2018 – June 2022 (expected)

Posts and Telecommunications Institute of Technology

Major: Information Technology
